Other Business

Sherri Phillips from Boy Scout Troop 204 is planning to clean out and organize the scout closet in the back. Sherri is a FBC church member as well and feels that we need to have the closet more organized and “user friendly” for both the Pack and the Troop. She will be doing the clean-up and organization during the week, but will contact Laura Sutton prior to discarding anything that may belong to or be of use to the Pack.
